## More Information to Consider!

- Children age 3, 4, and 5 are welcome to apply. Children must be 3 by Sept 1st, 2019 and be fully toilet trained.
- Children on an IEP or that require extra care and planning on the part of the teachers must include information about your child's needs and a copy of the IEP if available. Please attach a copy of the IEP to this application form.
- An application fee of \$75 is required when this form is submitted. The fee will only be processed if your child is placed in a class that will work for your family. Once you have been notified that your child has a space in a class, a 10% deposit is due within two weeks to guarantee placement. This can be paid when you use our online registration link.
- By turning in the application form, this does not guarantee a space in a class. A separate, online registration link will be given to families when they choose to accept the class offered.
- The application fee and deposit are non-refundable should you change your mind.
- The full day and extended day options include weekly forest school visits. The bus will head out to the Douglas County Parks each morning for half the day with up to 13 children and two teachers. A more detailed forest school schedule will be given to parents as the school year draws near. The number of dates your child will go to forest school will depend on how many days they are registered. Half day children may get the opportunity to join if space allows.
- **Drop in Care:** If space allows, we do allow registered families to utilize Drop In Care for days/times your child is not registered. The fee is \$60 for Extended Day (7:15am-5:15pm), \$50 for Full Day (8am-3pm) and \$30 for Half day (8am-11:30am). For Early Morning care (7:15-8am), the charge is \$6 per time. The drop in rate for after school care from 3:00-5:15pm is \$16. If your child is a half day student and needs to extend their day with us on a drop-in basis, the charge is \$35 to allow them to stay up until 5:15pm.
- Only children on the extended day schedule can be dropped off before 8am. Drop off in the morning is 8am or after for all other students. Parents can utilize the drop in option as needed for care earlier than 8am.
- We follow Alexandria School District 206 for all weather related late starts and closings.
